Focus on: Our Spiritual Needs

The TvS Board has decided to focus on the spiritual life of the congregation for this coming year. As a first step, we will call a special congregational meeting (postponed in June because of the death of Rabbi Anna's grandmother) that Rabbi Anna and I will co-lead in order to gather input from our members about both the scheduling and content of services. We will brainstorm about how services can better contribute to the congregation's core purpose: To nurture each person's unique gifts and spirituality through a dynamic Jewish community dedicated to justice and peace.

If you are unable to attend when the meeting is scheduled, please feel free to email your ideas to Ruth Jampol (ruth.jampol@gmail.com) or Rabbi Anna (rabianna@gmail.com).

**Stayed tuned for information about the rescheduled
Congregational Meeting on Spiritual Life.**

Member News

We want to congratulate our TvS high school graduates of 2010, **Saul Posmontier** and **Jeff Bossio**. Both have been members of TvS for many years. We wish them well with their post high school endeavors! Mazel Tov, boys! Stay in touch!

We are sorry to hear the Ethel Kernis's sister and Bobbie Posmontier's aunt Jean Trachtenberg died on Mother's Day, May 9. May her memory be for a blessing.

We are saddened to learn that Rabbi Anna's grandmother, Olive Levy Rosenfield, passed away this past month. Donations in memory of Rabbi Anna's grandmother can be made either to Tzedek v'Shalom or to Riverdale Temple (4545 Independence Ave., Bronx, NY 10471), where Rabbi Anna's grandmother was a congregant. Rabbi Anna is very grateful to the rabbi at Riverdale Temple for the support she has given to her grandmother and the family.

New TvS Teen Program POST BAR/BAT MITZVAH CLASS

The JRF (Jewish Reconstructionist Federation) has developed an exciting curriculum for post Bar/Bat Mitzvah students called TEL (Teens Experience and Learning), and TvS is now adopting this program. The class meets on a monthly basis, and once a season in the fall and spring there is retreat for all participants in the region at Camp JRF. TEL is in its second year, and each year there is a theme.

The TEL theme for 2010/2011 is "hiddur mitzvah," which we are using to mean creativity in the broadest sense. This is NOT arts and crafts! Each month, a different type of Jewish creativity will be explored, all in terms of the theme of Jewish identity. For instance, Jewish comedy & humor, film & theater, literature, visual arts, music as expressions of Jewish identity. The curriculum is highly flexible, so that the group leader and the participants can really pick and choose what to do and explore.

There is a project component that will be integrated into the session time. We are interested in maximizing the ways teens are engaged in the community and congregation, so there are no limits on what they dream up doing.

Tell your friends about our great Religious School.

Word of mouth is our best advertising!

Carolyn Bacher is on the long and winding road to recovery from pneumonia. I spoke to her and she sounded like her wonderful self, looking on the bright side of this current illness. She was given an antibiotic that caused her to lose a significant amount of weight, however, so she now has to try to gain back the weight. If you would like to help her in this endeavor, here is a short list of foods that she would particularly enjoy: sweet lukshen kugel, vanilla and peanut butter ice cream, brownies, and bread. A few congregants have already brought soup to Carolyn, but I'm guessing you can't have enough soup. If you wish to contact me, I'll be happy

to schedule delivery of whatever you provide. Feel free to contact Carolyn directly at 215-860-3565 or carojoel@comcast.net, if you prefer that. (We might also shower her with get well cards.) I look forward to hearing from you.

VOLUNTEERS NEEDED! The Kosher Meals on Wheels program, which operates from Greenwood House in Ewing, New Jersey is in need of volunteers to deliver meals to homebound people. This involves driving to Greenwood House, picking up the meals (between 10:30 & 11 a.m.), and delivering them. Deliveries are Monday-Friday. There are usually 6 to 8 stops to make. Most deliveries can be accomplished in an hour: one route is very close to Greenwood House, one is based in Lawrenceville and the other route I've never done but I know it involves more distance. I would estimate a 2-3 hour commitment from the time you leave your house to the time you return. A cellphone and gps come in handy, but are not essential.

Signing up for even one delivery/month would be helpful.

I have been delivering meals twice/month for more than year. It has been a real pleasure to perform this service. Some of the people just take the food but others appreciate this small social interaction. Even with my back issues and shoulder surgery, I always feel better for having accomplished my deliveries.

If interested, please contact Joan Rubin-Kritz at Greenwood House: (609)883-5391, ext. 320. I would also be glad to answer any questions.
